1. The Executive Council shall fix the period during which a Union ballot i.e. a ballot of the members of the Union, is to be taken and the Branch Committee shall fix the period during which a purely Branch ballot i.e. a ballot of the members of a branch, is to be taken.

In the case of a Union ballot, the General Secretary shall inform all the Branch Secretaries accordingly and shall forward to them in good time the required number of ballot papers prepared in the form similar to Specimen A & C. In the Case of a Branch ballot, the Branch Secretary shall cause the required number of ballot papers to be prepared in the form similar to Specimen B or C. In the case of ballot paper of Specimen C, each different issue shall be determined by marking the votes separately.

2. The committee of each Branch shall decide the date, the time and the place of voting and shall give all members of the Branch a reasonable opportunity to cast their votes.

3. The Branch Secretary shall issue to each member of his Branch who is entitled to vote a ballot paper bearing the seal of the Branch or the signature of the Branch Secretary, together with an envelope addressed to the Branch Secretary. The ballot paper shall be issued by post or by hand. If they are issued by hand, individual signatures of the recipients shall be obtained as proof of delivery. The envelope shall have the words "Ballot Paper" and the member's Union Membership Number written on it. The ballot paper and envelope must be forwarded to the member with sufficient time for him to return them to the Branch Secretary before the date fixed by the Branch Committee.

4. Members shall have the choice of voting by post or in person. If a member elects to vote by post, he shall return the ballot paper, duly marked, to the Branch Secretary in the manner prescribed in paragraph 9 below; but if he elects to vote in person, he shall cast his vote at the General Meeting in the manner set out below: Provided that if the Branch Committee decided that it would be inexpedient to convene a General Meeting, it shall not be open to a member to vote in person.

5. 6. The balloting shall be conducted under the supervision of the Branch Scrutineers. At least two Scrutineers must be present throughout the period. Before any ballot box is used for balloting, the Scrutineers shall examine it to ensure that it is empty and they shall then lock and seal it and keep the keys in their custody.

7. The Scrutineers shall be supplied by the Branch Secretary with a list of the members who have been issued with ballot papers (in person as well as by post), and they shall ensure, by checking the list with the Membership and Subscription Register (a) that only those members who are entitled to vote are or have been given the opportunity to do so; (b) that each member votes only once on a particular issue; (c) that no member who is voting in person has already voted by post and (d) that members are able to vote as they please and without their votes being known to anybody else.

8. When the time for voting in person arrives, each member who has been issued with a ballot paper shall in turn proceed to the room or the portion of the hall where the ballot box is placed and record his vote by placing a cross or a number of crosses, as the case may be, and no other mark on the ballot paper. Then folding the ballot paper at least in half, and enclosing it in the envelope supplied by the Union, he shall drop it into the ballot box and immediately quit the place of voting.

9. A member who votes by post shall mark his ballot paper in a similar manner and return it, folded at least in half and properly enclosed in the envelope provided for the purpose, to the Branch Secretary to reach him before the date fixed for voting. The Branch Secretary shall deposit all such ballot papers unopened into a closed container provided for that purpose and keep the container safely until the appointed day, when he shall hand it to the Scrutineers. The Scrutineers shall drop the envelope containing the ballot papers into the ballot box.

10. When the last member present who is entitled to vote in person has voted, the Scrutineers, declaring the voting closed, shall open the ballot box, to count the votes in the presence of the least three officers of the branch.

They shall first check the Union Membership Number on each envelope with the list supplied by the Branch Secretary. As each envelope is checked, the membership number shall be deleted in such manner that it cannot again be read and the envelope dropped unopened into a locked box. When all the envelopes have been checked, the scrutineers shall take them out of the box, slit open the envelopes and drop each ballot paper, still folded, into the ballot box.

When this is completed, the Scrutineers shall open the ballot box and count the votes. If in the opinion of any scrutineers a ballot paper is invalid, such ballot paper shall be marked 'Spoilt" and rejected.

11. After all the votes have been counted, the Scrutineers shall prepare a statement in duplicate, of the result of the ballot and hand both copies, duly signed, to the Branch Secretary. The statement shall be countersigned by the Branch Chairman and the Branch Secretary and a copy shall be forwarded to the General Secretary. The other copy shall be retained by the Branch Secretary for at least six months.
